On the right bank of the Loire River, Pascal Lorieux's 100% Cabernet Franc vines cover the first slopes of a hillside leading up into the forest. This terroir's sandy soils deliver a wine of great finesse, a true "expression" of the land, with aromas of raspberry and pencil shavings and a mouthwatering acidity. Enjoy with white meats, fish in sauce and soft cheeses.

The Lorieux domaine is located in St. Nicolas de Bourgueil and Cravant either side of the Loire River, the result of the merger of two vineyards. Brothers Alain and Pascal work these lands, with Alain producing Chinon wines and Pascal producing Saint-Nicolas de Bourgueil. Terroir defines the specificity of these Loire Valley wines.
