The 2019 Rhône Valley vintage challenged its winemakers. The winter was mild, and continued into a dry spring, which led to an early bud break. It was then met with an unexpected cold snap and a strikingly hot summer. However, they were able to pass Mother Nature's tests with such a concentrated, balanced, refreshing cuvée.

These 50 year old Grenache and 25 year old Syrah vines sit in a mixture of chalky clay soils. After they are hand-harvested, destemmed, and sorted, they enter a long vatting period that lasts for 25 days in temperature controlled tanks. After, the cuvée is aged in subterranean cement tanks for several months before bottled.

Denis Cheron, originally from Burgundy's Côtes du Nuits, fell in love with the region and potential of Vacqueyras and bought La Grand Comtadine in the 1960's. Using his knowledge of Burgundian winemaking practices, Denis improved the conditions of the vineyards. His efforts were rewarded with healthy, quality grapes that had developed finesse and showed the terroir in the glass. Yves, Denis's son was also born in Burgundy. His formative experience with a single-varietal as delicate as Pinot Noir is manifested in the refined elegance he creates in an appellation often perceived as rustic. Yves took the vineyard care to the next level and introduced vineyard selection, lower yields, hand-harvesting and sorting. Varietals are vinified separately and in smaller quantities. Today, Yves's wines are rich, concentrated expressions of fruit and the terroir of the Vacqueyras.
