# CHÂTEAU D'HAURETS 2020 BORDEAUX « Blanc »

Château d'Hauret's 2020 Bordeaux Blanc is characterized by a pale emerald straw color. The stunning color explodes with the notes of white grapefruit, sorrel, coriander, and other exotic fruits. On the palate, the lively display of its velvety texture exhibits notes of lime zest, dry-yet-fruity body, and a refreshing medium-long finish. This Bordeaux Blanc is a concentrated example of the Sauvignon Blanc's ability. Drink as an aperitif or with chicken, shellfish, or fish.

2020's Bordeaux season echoed the previous vintage in its success. Producers have been able to stress their ability to achieve a "low quantity, high quality," narrative because of the wonderful summer weather. You can expect strong, yet elegant Bordeaux cuvées this vintage.

Château d'Hauret covers 14.8 hectares of clay-limestone soils. The Sauvignon Blanc, Muscadelle, and Semillon vines are all living the benefits of sustainable farming practiced by the Ducourt family. After the grapes are harvested in the early morning to reap the benefits of the cool temperatures, the fruits enter skin-contact maceration for several hours. From here, the juice goes into a temperature controlled fermentation until it is aged on lees in thermo-regulated stainless steel vats.

Once a modest farm, Château d'Haurets was converted into the chateau we know of today in the 18th Century when it was bought by Swedish man. 200 years later, in 1983, it was bought by Henri and Simone Ducourt. Since the property has been adopted by the family, it has become a place for their family and friends to gather together for any and all occasions. The chateau breathes the life that surrounds it, one full of joy and love, into the wines produced by the estate.

## ACCOLADES

2020 International Wine Report – 91 points

2020 Beverage Tasting Institute – 90 points

*"The 2020 Château D'Haurets Bordeaux Blanc begins with inviting aromas of gooseberries, melon, lime zest along with some grassy nuances character that burst from the in the glass. The palate is bright and vibrant, with a lovely mineral streak that leads up to the mouthwatering finish."*
