Feu Follet 2020 is the expression of creative madness in that it both bewitches and fascinates. It evokes the culture and mysterious art that is winemaking. Feu Follet radiates its greediness through the aromatic power of citrus and red fruit and highlights the winemaker's ability to exacerbate its natural aromatic ability, freshness, and complexity. Feu Follet, *'the will-o'-the-wisp,'* is the manifestation of the spirit and soul of Provence within your glass. With each swirl, watch as the hints of the small flame dances.

Provence's 2020 vintage can be characterized by its balance between freshness and aromatics. This unique combination arises from the lack of constraints caused by sweltering summer heat. Unlike 2019, 2020 allowed for the grapes to ripen slowly and gently meaning that they could retain their natural aromas of fresh and tangy fruits such as strawberries and citruses.

Nestled in the heart of Provence, Château Paradis lives up to its name as a hidden paradise of lyrical landscapes and seductive wines. The estate of Château Paradis totals 160 hectares of which 80 hectares are dedicated to vineyards. Within this 80-hectares is an exceptional parcel of +/- 30-year old vines. Because of their age, these vines are able to reach down deep into a rich clay-limestone terroir some 650 feet above sea level.

Located on the north face of the Trevaresse Mountain in front of the Durance River, the vines benefit from the Mistral winds coming from the Rhône valley and a cool climate that follows the river. Syrah, Grenache and Cabernet Sauvignon vines thrive in the warm Mediterranean climate and produce a perfectly crafted rosé wine. Clay imparts power and aromatics to the wine, while the chalky limestone rounds it out, bringing fruit notes and a nice minerality.
